# HYBRID EVENTS

FOR YOUR COMPANY

ENJOY A DIFFERENT  
TYPE OF EXPERIENCE

*Hybrid events* have become the new routine. With many years of professional experience organising events and conferences, we offer you the opportunity to organise an international or local hybrid event.

In cooperation with the most professional technical companies, we will implement your event from the registration of delegates to the nuanced delivery of the event, in person and/or on-line.

- **Provision of full service services (registration of participants, video recordings after the conference etc.)**
- **We will create and adapt the e-environment directly to your event.**
- **A dedicated website with a visual identity for your event.**
- **We will adjust the time and place of the event according to your wishes.**
