

Joint Conference

IS LATVIA READY FOR THE WHISTLEBLOWING LAW?

New regulation and best practices

March 28, 13:30-17:30

Riga Business School, Skolas 11

We would like to offer the opportunity to partner with us on a Joint conference exploring whistleblower policies and practices.

At this conference you will learn from our international and local experts while also learning from the main force behind adoption of the whistleblowing legislation in Latvia and the contactpoint for whistleblowers as of May 1, 2019. The new legislation will require many companies to have certain whistleblowing policies introduced. The conference will explore what your company whistleblowing policies will need to contain and share best practices of effective management of whistleblowing.

Please let your respective chamber know if you would like to support this event!

The conference is co-hosted by Transparency International Latvia and five foreign chambers of commerce in Latvia.
